Sir,

In forwarding herewith copy of Sagar Assistant Commissioner's No 2167 of 28th February '09 recommending the establishment of a Native Dispensary at Karur as prayed for by the villagers of Karur Hobli, I have the honor to state that under orders of Government contained in No 2462-3 / L.B. 339-07-4 dated 10th September '08, the establishment of the Dispensary during the ensuing year was deferred in view of the strained financial condition of the District Funds. But as the need for the Institution is very greatly felt by the local inhabitants the provision has been renewed in the Budget for 1909-10 and I request that Government will be pleased to sanction the establishment of the Dispensary from 1st July next.

My dear Sir,

As personally directed I took the jamabandi of the Sagar Taluk and shall complete it by this evening. The settlement reports will be submitted to you after I go to Sagar

There does not seem to be anything worth being brought to your notice. A few cases of encroachments and unauthorized cultivation were found and they has to be suitably dealt with.

The people of Karur Hobli in one voice feel for a Hospital or Dhyavasala and midwife for the Hobli living at a distance of about twenty miles from the Taluk Head quarters and seperated from all the conveniences which a generous government could grant to its subjects such as Hospital, Post Office, School, good roads &c, and with unfordable rivers during winter. I think the case of these people deserve earnest Sympathy

Mr Darasha's observation about Condition of women in labour child birth is not exaggerating

case is really pitiable. The Karur Dispensary which has been sanctioned has not been established yet.

I beg that you will be pleased to urge on the Government for its immediate establishment.

It is satisfactory to note that Vaccination has progressed in these parts.

These people also represent that the present contemplated road from Karur to Bhathal is circuitous and a shorter opening into the Seacoast is preferable. I propose to go round the Taluk throughout these parts next April.

The sun is getting more & more powerful. The days are sultry. Food grains sell at high rates. There is not much of illness. Rinderpest is prevalent in Thalaiyadi Sides, but it is not alarming. The cattle disease inspector's prescription is tried & some cases are successful.

My private business is so pressing that I must go on about 6 days leave. I want the leave from the 15th of next month and I am submitting my application from Sagar. I trust you will please sanction it.

Tomorrow we have the Akkani

car festival

With best regards I remain
My dear Sir,
Yours sincerely.
